1.1 INTRODUCTION:

Rapid Technological Development and large scale mechanization are posing complex problems in Safety and Health of Industrial Workers. Accident rate in Indian Industry is very high and is disproportionate to the growth of Industries. Ensuring Safety and Health at work place is an important need for the Management in the present Industrial scenario. In order to fulfill the needs, services of qualified safety professionals in the Industry to plan, implement and monitor accident prevention environment are essential. So it is necessary that a Safety Officer should possess appropriate qualification and required exposure in live environment in order to discharge desired duties and shoulder responsibility to ensure risk free environment in work place. Keeping in view the roles & responsibility of Safety Officer, a Post Diploma having one year duration has been designed by SCTE&VT with the support of Directorate of Technical Education & Training in order to equip the students with appropriate knowledge, skill and attitude to perform various job functions effectively & efficiently.

1.2 ADMINISTRATION AND CERTIFICATION:

The Government Polytechnics/ Engineering Schools of the State affiliated with SCTE&VT imparting Post Diploma in Industrial Safety Course are under the direct supervision of the **Directorate of Technical Education & Training (DTE&T), Odisha, Cuttack**, with administrative control of the Skill Development & Technical Education Deptt., Government of Odisha, Bhubaneswar. This Course is conducted under Semester pattern with certification of the **State Council for Technical Education & Vocational Training (SCTE&VT), Odisha**.

1.3 TRAINING AND PLACEMENT:

In order to facilitate recruitment of the pass-out students in different Industries/ Organizations through off campus/ in campus, Training & Placement Cell has been established in each Institute. Further a Central Placement Cell at Directorate of Technical Education & Training, Cuttack is functioning to facilitate placement in various Central/ State Govt. Departments, PSUs and other establishments. Post Diploma Industrial Safety pass outs are being employed with attractive salary and perks.

1.4 CURRICULAR DEVELOPMENT ACTIVITIES:

Constant endeavor is being made to update the syllabus as per the needs of the Industry and advancement of technology. Seminars and co-curricular activities are regularly conducted among the students for all-round development of future technicians. It ensures a fundamental and common approach to equip future technicians to face the emerging challenges of Industries in particular & Society in general.

It provides uniform basic knowledge and skill competencies relevant to Industries, with vertical and horizontal mobility of the students for their professional growth.
