

No. 567 /Dt. 29/1/2019,  
VT-I-3/2018

To

The Centre Superintendents,  
All the Trade Testing Centres of AITT Jan 2019.

Sub: Tracking of delivery of question papers of AITT January 2019 at the authorized Banks.

Sir,

With reference to the subject cited above, I am to say that DGT, New Delhi has despatched Question Papers of AITT January 2019 to all the authorized banks of the TTCs on 10<sup>th</sup>/11th January 2019 by speed post, which might have been reached at the concerned Banks.

The details of speed post transactions along with Consignment Number (Tracking ID), TTC name, Centre Code, Bank names etc. are attached herewith for reference.

The Centre Superintendents are therefore directed to track online the delivery status of question papers on the <https://www.indiapost.gov.in> portal and collect proper question paper packets as per examination schedule.

Further, it has been observed that the TTCs are not collecting question papers from the Bank and asking for softcopy from the Council on the plea that question papers have not reached in the Banks, which causes unnecessary delay in conduct of examination.

Hence, request for softcopy of question papers must <sup>be</sup> genuine during the current AITT.

Encl. – As above

Yours faithfully,

  
Controller of Examinations
