Sub.: **Non-Syncing of Bio-Metric attendance of 2nd, 4th & 6th sem regular students during the current academic session.**

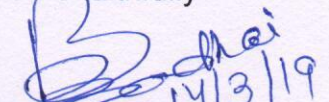

Sir/Madam,

In inviting a reference to the subject cited above I am to inform you that, as per the approved Academic Calendar the academic session of 2nd, 4th & 6th sem started from 02.01.2019. The Bio-Metric Attendance of all Polytechnics except the above mentioned nine Polytechnics is synced to the State Application portal on a daily basis. In spite of repeated reminders these nine Polytechnics have yet not taken up any steps till date for syncing the daily attendance data of their 2nd, 4th & 6th sem regular students to the State Application portal. Even though the Bio-Admin of these nine Polytechnics have been reminded time and again by Mr. Sovan but till date the daily attendance data of 2nd, 4th & 6th sem regular students of these nine Polytechnics is not synced to the State Application portal.

In spite of all out efforts from Council side it seems that these nine Polytechnics are not serious about this activity. Hence it will be presumed that their 2nd, 4th & 6th sem regular students are not at all attending classes and their attendance for the period from 02.01.2019 to till date will be treated as **Zero Attendance** and they will not be eligible to appear Summer 2019 exam as per new Exam Rule no. 5.4.

Principals of the above mentioned nine Polytechnics are hereby informed to submit their explanation to the undersigned latest by 18.03.2019 as to why student attendance data syncing of the ongoing academic session has not been streamlined in respect of their institute till date.

Yours faithfully

Controller of Examinations
