ORDER

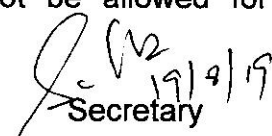

As per the new Examination Rule 4.2 students taking admission into Diploma course (both Regular & Lateral Entry) have to submit CLC/SLC/TC from the institute last admitted. However if the CLC/SLC/TC submitted is not from an institution governed by/ affiliated to any University/ Board of Odisha then such students have to also submit the Migration Certificate from the concerned Board/ University along with their CLC/SLC/TC.

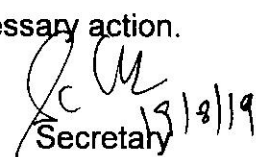

The Online Registration process of Diploma students admitted during 2019 (Regular & Lateral Entry) will start very soon at different Nodal Centers. As observed from previous year experience most of the Polytechnics do not submit the CLC/SLC/TC and Migration Certificate of their admitted students in time at the allotted nodal centers, rather they submit the same towards the fag end of the schedule. This creates dislocation at the nodal centers and they face lot of difficulties in verifying documents of a large no. of students within a limited time period. In order to obviate the above practice Principals of all affiliated Polytechnics are hereby informed to be in readiness with the cancelled CLC/SLC/TC and Migration Certificate (if required) of their students well in advance so that submission & verification of documents can be done in a smooth manner at the nodal centers. Principals are further requested to collect the Mobile no. of each student and their parents, Aadhaar Number, E-Mail id, latest Photograph etc. which is to be entered in the Vidyarthi portal by each institute for completion of registration process. Thereafter Council will allot Registration Number and issue Registration Certificate online for each student.

As per Examination Rule 4.2 if a student of any Board/ University outside Odisha has taken admission in Diploma course but has not submitted his Migration Certificate to the Council then he/she will be debarred from appearing 5th sem exam. The list of all such defaulter students who took admission in Diploma course in 2018 and have yet not submitted their Migration Certificate is attached for reference. Principals of the respective Polytechnics are hereby informed to submit the Migration Certificate of their students (as per list attached) in the Council latest by 15th September 2019 failing which these student will not be allowed for registering for Winter 2019 exam. If the student in the list attached has discontinued his studies and has taken CLC/TC then Deactivate the student in the Institute Level (Administration) link in Vidyarthi portal. If at all the student has submitted his CLC/SLC/TC from an institute within Odisha then submit a copy of the same CLC/SLC/TC to the Council for waiving out the requirement of Migration Certificate. The above activities has to be completed latest by 15th September 2019 failing which defaulter students will not be allowed for registering for Winter 2019 exam.
