

Notice

No 465 Dt 11/03-2020

It is intimated that although 2966 nos of faculties from different Engg schools/Polytechnics were registered for onscreen evaluation of answer scripts of Winter-19 examination, 2004 nos of faculties actually participated in the evaluation work. This has resulted delay in publication of result by more than 15 days beyond the schedule. Names of Institutions from which requisite number of faculties have not attended onscreen evaluation work will be forwarded to DTET, Odisha for initiating further action.

In view of this, all Principals are instructed to take steps well in advance in registering and deputing more faculties from their Institution to participate in Summer 2020 evaluation work without fail.

Further, it is informed that ExamTrac Server of Meritrac has been kept open upto 16.3.2020 to edit the Bank Account Details of all the registered faculties from their Institution end for quick disbursement of Winter-19 evaluation remuneration. No further request relating to correction of bank account details of faculties will be entertained beyond 16.3.2020.
