Sir/Madam

In continuation to the trail email, I am hereby sharing the details of trainees who were absent in the examination scheduled in Jan-April 2021 . Result of these trainees were declared by marking as absent and trainees were given chance to appear in the upcoming examination without counting their previous attempt and does not required to pay fees on NIMI portal but ITIs has to fill their eligibility by marking Examination Fees as "Yes". However, It comes to notice that ITIs has not filled their eligibility on NCVT MIS portal. Therefore you all are requested to direct concerned ITIs to fill the eligibility on NCVT MIS portal so that these trainees shall also be scheduled for centre mapping. Please get confirmation for the same , if eligibility has already filled for absent trainees by ITIs.
