To

The Principals of all Polytechnics

Sub: Furnishing of System MAC address and other details for E-Question Delivery for 1<sup>st</sup> semester Winter semester Exams 2020 to be held in October 2021 and Dry Run regarding.

Sir/Madam

I am to say you that Subjective type Question Papers for 1<sup>st</sup> semester Winter 2020 Exams shall be sent online for all the semesters to all the institutes through E-Question delivery system. There shall be no Hard copy Question Papers supplied to the Institutes.

For implementation of E-Question system, information relating MAC Address and other details such as Email Id and Mobile Numbers of Principal and others submitted in **Make My Report** at the time of Winter Exams of 3<sup>rd</sup> and 5<sup>th</sup> semester by **all Polytechnics** shall be used this time to set up the system for the purpose. However, any institute interested to change such data may do so in Make My Link by 8/10/2021 11 AM.

"System Name", "System MAC Address" and "System IP" as asked in the Make My report link are required for authentication of the two computers (Primary and Secondary) to be used for the purpose. To find out the System Name, MAC Address and System IP of these two computers, one has to go to the command prompt and type "**ipconfig/all**" and **press Enter**. A lot of information will be displayed about the system. Please note down the value of Host Name, Physical Address, IPv4 Address from the information displayed in the two computers (called Primary and Secondary) and enter these values in the Make My report link against System Name, MAC Address and System IP respectively.

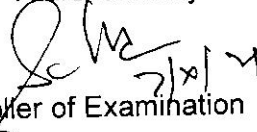

There shall be MAC Id verification and authentication on 8/10/2021 and 9/10/2021 by SCTE&VT Team.

There shall be Dry Run of Online Question Delivery on 20/10/2021 to test the working of E-Question delivery system.

It is further informed that there is no provision of supply of Hard copy of Question papers for the above Exams.

You are requested to be in readiness for both MAC Id verification and Dry Run of the E-Question delivery system for 1<sup>st</sup> semester Winter 2020 Exams on the above dates without fail.

Yours faithfully

  
Controller of Examination
