

No. 2083 Date. 18.12.2021
SCTE(D) - 20/2020

To

The Principals of all Affiliated Polytechnics/PDIS Institutions

Sub: SCTE&VT Registration of Diploma students admitted during 2021-22 (1st Semester & 3rd sem. Lateral Entry)

Sir/Madam

With reference to the above subject, I am to say that, as a part of Students Registration process by this council, for the newly admitted 1st semester and 3rd semester Lateral entry students, the following activities shall be taken up at the Nodal Centres from 21/12/2021 to 24/12/2021 **4 PM** for 3rd semester LE students, from 27/12/2021 to 4/1/2022 **4 PM** for 1st semester Diploma students and from 6/1/2021 to 7/1/2021 **4 PM** for 1st semester PDIS students. The list of Institutes attached to the different Nodal centres is enclosed for reference. The detailed procedure to be followed is as follows.

Each institute can view the list of admitted students through the [Pre-Registration Link](#) of Vidyarthi portal. If any institute has any query regarding students in the list shown, they may contact Sri H.N Nayak, Dy. Director(CDC&FD) in the office of DTE&T, Odisha, Cuttack for clarification. They have to make entries relating to Aadhar No., upto date Mobile Number of the students and their parents wherever required and CLC/TC/SLC & Migration Certificate details against each student in the portal. Thereafter the institute shall print a list of students admitted with all details from the Vidyarthi portal.

Each institution has to deposit the following documents at the Nodal Centre during the above period.

- copy of List of admitted students, generated from the Vidyarthi Portal duly signed by the Principals with seal of the Institution
- CLC/SLC/TC and Migration certificate as applicable, of the students, arranged in the same order as in the students list at (a) above, duly cancelled by the Principal with seal and signature

The original CLC/SLC/TC of the student has to be from the institution last attended by him/her. The Migration certificate is required to be deposited for the students, who have passed the last examination from any Board/University located outside Odisha. This has to be ascertained from the CLC/SLC/TC or Pass Certificate submitted by the students. It is mandatory that each such certificate submitted must be cancelled by the Principal of the Institution with clear notation as "CANCELLED" duly signed by the Principal with seal. **Students list other than the list generated from Vidyarthi portal, shall not be accepted.**

It may be noted that, the Principal of the institute must verify the genuinity of the CLC/SLC/TC and Migration Certificate, deposited by the students at their institute, before submission at the Nodal centre. The students concerned and the institution where the student is admitted shall be held responsible for genuinity of CLC/SLC/TC and Migration certificate submitted by them.

Each Nodal Centre is to prepare the schedule on realistic basis and intimate the schedule to each of the Tagged Institution for reporting with all documents.

At the Nodal Centre, for each of CLC/SLC/TC submitted for a student, "Submitted CLC" option has to be clicked against the name of that student, in the Vidyarthi Portal. Similarly, for each of Migration Certificate submitted, "Submitted Migration" option has to be clicked against his/her name, in the Vidyarthi Portal. For the students where Migration Certificate is not required as stated above, "Not Required Migration" option may be clicked.

The Principals of Nodal centres are requested to make necessary arrangements of sufficient manpower, computers, internet connectivity and power backup facility for online entry of submission of these certificates. After completion of submission and entry of these certificates in Vidyarthi portal, a print out of the list of students with status of submission of CLC and migration certificate shall be taken from the Vidyarthi portal at the Nodal centre (Print Daily Report) and to be verified about its correctness. Thereafter the list is to be signed by both the Institution representative and Nodal centre representative on each page. One copy of such report shall be kept at Nodal centre and the other is to be handed over to the Institution concerned.

After the closure of the above Registration Document submission activity by different institutions, the Nodal centre shall pack (i) the students list submitted by the institute (ii) certificates (CLC and Migration Certificate) submitted by the institution in order (iii) the report generated at the nodal centre for each of the institution in separate packet and deposit at the council by 20/01/2021 thorough **SPEED POST**.

Demand Note shall be generated for the students finally selected for registration by SCTE&VT. Institutions shall make payment of Registration Fees @ 150/- per student in online mode against the demand note for allotment of Registration Numbers in the Vidyarthi portal.

Since this is a time bound activity, each Institution must report with all documents as stated above at the Nodal Centre as per the schedule intimated by the Nodal Centre without any deviation. During the Registration Documents submission, Covid 19 guidelines are to be strictly followed.

No request for extension of dates for Registration shall be entertained.
