**Subject: Relaxation of advance payment of CBT examination fees for Hall Ticket Generation – reg.**

Sir,

Several representations have been received, wherein, a number of trainees could not attend the All India Trade Test (AITT) Exam under Craftsmen Training Scheme (CTS) due to issues arising out of CBT fees payment eligibility on the NCVTMIS portal.

2. In this regard, It is decided that all the trainees whose eligibility has been created / is being created by ITIs, on the NCVT MIS Portal shall be made eligible to generate Hall Ticket to appear in the examinations **irrespective of confirmation of payment of CBT/ Practical / Engineering Drawing (ED) examination fees** . However, their exam results will be published only after confirmation of payment of CBT/Practical and ED examination fees in the NCVTMIS portal.

3. Further, the portal is already opened for filling up of eligibility for trainees under CTS from 02.02.2022 till 07.02.2022. The State Directorates / UT Administrations are requested to get the eligibility of the leftover trainees filled up within the above specified time frame.

4. This issues with the approval of competent authority during the review meeting held on 03.02.2022.
