2. Introduction

The SCTE&VT, Odisha seeks proposals from experienced and qualified organizations to deploy an Integrated Support Centre Service Provider (ISCSP) in service mode in accordance with the Scope of Work specified in this Request for Proposal (RFP). SCTE&VT desires to partner with an agency to provide telephone, chat, e- mail support, and Customer Relationship Management (CRM) services to handle queries regarding Student Support Services (e.g., Student Feedback, Admissions; Advertisement; Industry visit, Examination result, placement, skill training for students & faculties student referral services, and general institution information).

3. Information on the RFP

3.1. Background

The SCTE&VT has taken an initiative to establish a 4–6-seater Support Centre in order to improve their services and operations, as well as to develop a mechanism to address all business operation-related issues on a single platform. The support Centre shall be scalable up to 10-seater based on future requirement. In order to propel these initiatives, there is a need to develop an effective two-way communication platform among SCTE&VT, Institutes & Students. This Platform shall provide personalized assistance to the Polytechnics & ITIs across the state. Institutes, faculties & students on various aspects such as student's feedback, admission, examination, training & placement, Life skill training, Govt. schemes and programmes related to the institutes, and grievance redressal, query resolution, etc.

It would also allow calls to be made to students and to gather feedback on various aspects like attendance, class monitoring, examination, placement, and training & development, etc. Further, this would also facilitate the SCTE&VT in taking corrective actions and strengthening their operations based on the data generated through this platform. There are various mechanisms through which an effective two-way communication platform between SCTE & VT, Institutes, faculty, and students can be established, with voice mobility being one of the most accessible and convenient methods. The platform shall be first utilized for outbound calling.

The following are some of the initiatives that will be covered using the support centre services:

- a) Regular Student's Feedback
- b) Student's Academic related issues like:
 - Examination related matters
 - Issuance of Certificate related matters
 - Admission related matters
 - Placement related matters
- c) Student's Grievance redressal etc.

3.2. Objective

The SCTE&VT, Odisha seeks proposals from experienced and qualified organizations to deploy an Integrated Support Centre Service Provider (ISCSP) in accordance with the Scope of Work specified in this Request for Proposal (RFP). SCTE&VT desires to partner with an agency to provide telephone, chat, and e- mail and CRM support services to handle queries regarding Student Support Services.

3.3. Invitation to Bid

State Council for Technical Education & Vocational Training, Odisha (SCTE&VT) invites Bids from qualified agencies (“Bidders”) for the “Selection of Integrated Support Centre Service Provider (ISCSP) for Polytechnics & ITI's Institutes In SCTE&VT, Odisha”. Bidders may view and study the RFP document containing the detailed terms & conditions from the website (<https://sctevtodisha.nic.in>). The bids are to be submitted as per the procedure given in this document.

The response to the RFP must be received no later than the time, date, and venue mentioned on the RFP. Bids that are received after the deadline WILL NOT be considered in this procurement process.

4. Instruction to Bidders

- a) While every effort has been made to provide comprehensive and accurate background information and requirements and specifications, Bidders must form their own conclusions about the solution needed to meet the requirements. Bidders and recipients of this RFP may consult their own legal advisors with regard to this RFP.
- b) All information supplied by Bidders may be treated as contractually binding on the Bidders, on the successful award of the assignment by SCTE&VT on the basis of this RFP.
- c) No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the SCTE&VT. Any notification of preferred bidder status by SCTE&VT shall not give rise to any enforceable rights by the Bidder. SCTE&VT may cancel this public bid process at any time prior to a formal written contract being executed by or on behalf of the SCTE&VT.
- d) This RFP supersedes and replaces any previous public documentation & communications, and Bidders should place no reliance on such communications.
- e) Bidders are advised to study all instructions, forms, terms, requirements, and other information in the RFP documents carefully. Submission of the bid shall be deemed to have been done after careful study and examination of the RFP document with a full understanding of its implications.
- f) Failure to comply with the requirements set out in this RFP may render the Proposal non-compliant and the Proposal may be rejected. Bidders must:
 - i. Include all documentation specified in this RFP.
 - ii. Follow the format of this RFP and respond to each element in the order as set out in this RFP
 - iii. Comply with all requirements as set out within this RFP.

4.1. Right to Terminate the Process

- a) SCTE&VT may terminate the RFP process at any time and without assigning any reason thereof. SCTE&VT makes no commitments, express or implied, that this

process will result in a business transaction with anyone.

- b) This RFP does not constitute an offer by SCTE&VT. The bidder's participation in this process may result in SCTE&VT selecting the bidder to engage towards the execution of the contract.

4.2. RFP Document & Processing Fees

A non-refundable demand draft of ₹.5900/- (Rupees Five Thousand Nine Hundred) in favour of Vice-Chairman, SCTE&VT, Odisha, Bhubaneswar payable at Bhubaneswar is to be submitted along with the technical bid towards the cost of the Tender document. Besides, the Bid Security Declaration must be enclosed along with the Technical Bid document. Technical bid document not accompanying the requisite Tender document fee and Bid Security Declaration shall be considered as non-compliant, summarily rejected, and will not be considered for further evaluation.

4.3. Earnest Money Deposit - Bid Security Declaration

- a) Bidders are exempted from submitting EMD as per Finance Department, Govt. of Odisha Office Memorandum No.281 dt.05.01.2022.
- b) The Bidders shall have to execute a “Bid Security Declaration” in lieu of Bid Security with the stipulation that if they withdraw or modify their bids during the period of validity etc., they will be suspended for the time specified in the tender document.
- c) The Bid Security Declaration shall be submitted along with the technical bid. Bids submitted without a bid security declaration shall be rejected. Please refer to [Annexure 10.8](#) for the prescribed format.
- d) The bid shall be rejected if a bidder withdraws its bid during the period of bid validity. The bid shall also be rejected if a bidder submits any fake/ forged/ fraudulent/ manufactured documents along with the RFP or has been rejected on similar grounds in the previous bids of SCTE&VT.
- e) In the case of a successful bidder, the bid shall be rejected, if the bidder fails to accept the Work Order or fails to furnish performance security after accepting the Work/ Purchase Order and shall be liable for blacklisting.
 - I. Modification of specifications and extension of the closing date of tender if required will be made by an Addendum. Copies of the Addenda will be updated on the website of SCTE&VT (<http://sctevtodisha.nic.in/en/>) website under the section “Tender” and not to be published in the print media. This shall form a part of the tender. The bidder shall visit the website for updated information relating to the tender.
 - II. The purchaser reserves the right to accept or reject any or all tenders without assigning any reason whatsoever. The purchaser may also alter the scope at the time of placing orders.
 - III. Bidders shall carefully examine the tender documents and the technical specification and fully inform themselves as to all the conditions and matters,

which may in any way, affect the work or the cost thereof. Should a bidder find discrepancies in or omissions from the specification or other documents or should there be any doubt as to their meaning, he should at once notify the purchaser and obtain clarification in writing. This however does not entitle the bidder to ask for time beyond the due date fixed for receipt of tenders.

- IV. Submitted tender forms with overwritten or erased or illegible rates or rates not shown in figures and words in English will be liable for rejection. In case of discrepancy between words and figures noted against the item of the tender and between unit rates and the total amount, the decision of the competent authority accepting the tender will be final and binding on the bidders. Corrections in the tender, if unavoidable, should be made by rewriting with the date and initial of the bidder after scoring out of the wrong entries.
- V. Request from the bidders in respect of additions, alterations, modifications, corrections, etc. of either terms or conditions or rates after the opening of the tender may not be considered.

4.4. Submission of Proposal

- a) The bidders should submit their responses as per the format given in this RFP in the following manner
 - i. Response to Pre-Qualification & Technical Criteria - First cover
 - ii. Commercial Proposal - Second cover
- b) The Response to the Pre-Qualification criterion, Technical Proposal, and Commercial Proposal (as mentioned in the previous paragraph) should be submitted physically at the given address.
- c) Please Note that Prices should not be indicated in the Pre-Qualification Proposal or Technical Proposal but should only be indicated in the Commercial Proposal.
- d) All the pages of the proposal must be sequentially numbered and must contain the list of contents with page numbers. Any deficiency in the documentation may result in the rejection of the Bid.
- e) The proposal/ bid shall be prepared in indelible ink. It shall contain no interlineations or overwriting, except as necessary to correct errors made by the bidder itself. Any such corrections must be initialed by the person (or persons) who sign(s) the proposals.
- f) All pages of the bid shall be initialed and stamped by the authorized person or persons who sign the bid.
- g) In case of any discrepancy observed by SCTE&VT in the contents of the uploaded bid documents due to improper scanning or not in readable format or verification of the authenticity of the scanned documents, SCTE&VT may ask the bidder, for submission of hardcopy of such documents to SCTE&VT.

4.5. Adherence to the Annexures

The bidder must submit all documents as asked in the Annexures. Any deviation or non-submission in the prescribed template shall lead to the rejection of the bid.

4.6. Contents of Technical Bid

The technical bid must contain the information as mentioned in [Clause No. 6.3](#) along with other details as mentioned in this RFP.

4.7. Proposal Preparation Cost

The bidder shall be responsible for all costs incurred in connection with participation in the RFP process, including, but not limited to, costs incurred in the conduct of informative and other diligence activities, participation in meetings/ discussions/ presentations, preparation of the proposal, in providing any additional information required by SCTE&VT to facilitate the evaluation process, and in negotiating a definitive contract or all such activities related to the bid process.

SCTE&VT will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

4.8. Language

The Proposal should be filled by the Bidder in English language only. If any supporting documents submitted are in any language other than English, translation of the same in the English language is to be duly attested by the Bidders. For purposes of interpretation of the Proposal, the English translation shall govern.

4.9. Venue & Deadline of Proposal submission

All eligible bids will be considered for further evaluation by a **committee according to the Evaluation process defined in this RFP document. The decision of the Committee will be final in this regard.**

5. Terms of Reference

5.1. Solution Outline

This Section comprehensively defines the project's features, assignment period, number of seats, manpower requirements, operational requirements, and so on. SCTE&VT is planning to establish an Integrated Support Centre to cater to the information requirement for students and faculties and other service requirements for the organization. The selected agency shall provide the support centre on a service mode for the following components:

- a) Regular Student's Feedback
- b) Student's Academic related issues like:

- Examination related matters
- Issuance of Certificate related matters
- c) Any other additional issues related to the Directorate of Technical Education & Training, Odisha (DTET)
 - Admission related matters
 - Placement related matters
- d) Student's Grievance redressal etc.

Please note here that the support centre shall provide its services in Odia, English & Hindi and the average number of calls shall be between 500-1000 per day.

5.2. Key Scope Component

The selected agency shall provide qualified and trained resources for the integrated support centre at SCTE&VT office premises for complete contract period to attend to the call from the students, faculties, etc. The agency shall run this integrated support centre during office hours (9 A.M. to 6 P.M.) SCTE&VT shall provide the required space, electricity, and furniture. The agency is responsible to get the telephone lines after getting the confirmation from SCTE&VT.

The agency shall carry out the student feedback exercise on a periodic basis based on the decision taken at SCTE&VT by intimating the students and getting required information by dialing and putting the information in a prescribed template.

The selected agency shall carry out the day-to-day operation related to the integrated support centre based on the standard operating procedure which will be subsequently finalized by SCTE&VT.

5.3. Functional Requirement -Key Process & Component

SCTE&VT defines the broad scope of work for the Support Centre to the establishment and /or Operationalize in the SCTE&VT Premises. The below section broadly defines the features and functionalities of the Support Centre. The support centre services shall be on a subscription-based model where the Service provider is expected to establish and operate the service centre in the most optimum manner. The following are some of the communication and functionalities of the proposed support centre:

5.3.1. Inbound Calling

Institutes and students shall initiate calls to the support centre to get the required information. Callers are connected to trained support centre executives via an Interactive Voice Response System (IVRS).

Some of the services and information which may be provided through inbound calling are as follows:

- a. Students can call the Support Centre to enquire about examination-related information.
- b. The faculties of Polytechnics & ITI's Institutes can call the Support Centre related to the faculty development & training programs
- c. Students can share their feedback related to the institutes & faculties

- d. Institutes and Students can share their requirements related to skill development programs
- e. Principals, faculties, students & parents shall call the support centre related to the Polytechnics & ITI's Admissions and related information.

Integrated Support Centre Service Provider (ISCSP) will design the inbound call flow as per the requirements of the State.

However, an indicative process for the inbound call is given below:

- a. The call may be first handled by an IVR system wherein the IVRS provides the list of services that a caller can avail of through the Support Centre. This feature provides the caller with a self-service option to get the desired information and services.
- b. In case the caller has unresolved queries, the IVRS may route the call to a Support Centre Executive for personalized assistance.
- c. Support Centre Executive will assist the caller in order to get the queries resolved. In the case where specialized operations help is required, the call may be forwarded to the SCTE&VT representative, or a ticket may be raised mentioning the query and tagging the right person. The ticket once resolved shall be updated and the information should be delivered to the Caller via text or email.

Note: This feature shall be disabled initially and enabled subject to the decision of SCTE&VT as and when required, however, the feature shall be provisioned by the selected agency from day 1.

5.3.2. Outbound Calling

SCTE&VT may desire to connect with the targeted students for various purposes such as:

- a. Validation of the students' & faculty's data in the system
- b. Gather student & faculties Feedback information
- c. Provide admission-related information to the school's Students & school principals.
- d. Provide placement-related information like Current and upcoming on & Off-Campus Drive information.
- e. Provide any departmental information to the respective institutes and students.

5.3.3. SMS Services

SMS can be effectively used for providing specific details to the relevant stakeholders. An integrated SMS solution will enable the support Centre executives to send the required information to the stakeholders. The indicative list of functionalities of the SMS solution is given below:

- a. Inbound SMS services shall be used to collect feedback from institutes, and students on calls made to them by a Support Centre.
- b. Support Centre executive shall maintain the database of the Institutes & Students Outbound SMS solution may be used for the following indicative activities:
- c. A Support Centre Executive can send the SMS to the respective Institutes SPOC and Students related to any activities or events of the department.
- d. The SMS gateway shall be provided by SCTE&VT.

5.3.4. Instant Chatbot Services

Chatbot services shall be enabled in the system leveraging the students & faculties to interact with the support centre. Standard Questions shall be designed which shall enable the system to respond to multiple students simultaneously. Proposed chatbot shall have the following features:

- a. Menu/button-based chatbots
- b. Linguistic-Based (Rule-Based Chatbots)
- c. Keyword recognition-based chatbots.
- d. Machine Learning chatbots
- e. The hybrid models
- f. Voice bots
- g. Appointment scheduling or Booking Chatbots
- h. Customer support chatbots

5.3.5. Infrastructure & Technology

- a. The bidder shall be in charge of setting up, running, and maintaining the Support Centre, which includes—but is not limited to—providing the necessary hardware, software, firewall administration, IPBEX, disaster recovery, and the creation of web-based applications and databases, and power backup, PRI lines, and Internet leased line, etc. The cost towards the aforesaid items shall be borne by the bidder. SCTE& VT shall only provide the necessary office space, including the flooring, and air conditioning.
- b. The Support Centre shall initially have 6 physical seats; however, SCTE&VT may seek an extension of the number of persons based on the requirement as desired by the department within the scope of this RFP.
- c. Bidders have the freedom to choose the Server Infrastructure that best suits their needs. They can use Physical Servers or Virtual Servers/ Cloud. The Agency must ensure that in case the system is located on the cloud has to ensure the voice logger server must be established at the SCTE&VT premise and call routing bandwidth must be used by the voice logger server. Bidder shall be responsible to provide view and download access to the CRM portal for regular and ad-hoc monitoring of the feedback process and periodic transfer of all data, call logs, reports to Authority, and at the time of handover, the exit of Agency. The cloud must reside within the geographical location of this country.

5.3.6. Call Centre Solution

- a. **Automated Outbound Calling:** This feature allows automated outbound calling and identifies and dials the numbers based on agent availability.

8.6. Signing of Agreement

SCTE&VT shall notify the successful bidder once the bidder gets selected. SCTE&VT shall enter into a contract within thirty (30) days of the award of the contract or within such extended period, as may be specified by the Authorized Representative of SCTE&VT, incorporating all clauses and the proposal of the bidder with the successful bidders. The Draft Service Level Agreement (SLA) will be provided as a separate document at the time of the actual awarding of work.

9. Termination

9.1. Termination for Default

The SCTE&VT may, without prejudice, to any other remedy for breach of contract, by written notice of default sent to the qualified Bidder, terminate the contract in whole or in part if:

- I. The qualified Bidder fails to deliver any or all of the obligations within the time period(s) specified in the contract or any extension thereof granted by the SCTE&VT.
- II. The qualified Bidder fails to perform any other obligation(s) under the contract. However, the disputes if any may be referred to Arbitration.

9.2. Termination for Insolvency, Dissolution, etc.

SCTE&VT may at any time terminate the Contract by giving written notice to the qualified bidder without compensation to the qualified Bidder, if the qualified Bidder becomes bankrupt or otherwise insolvent or in case of dissolution of the firm or winding up of company.

9.3. Negotiation

It is absolutely essential for the bidders to quote the lowest price at the time of making the offer in their own interest. SCTE&VT, however, will have the discretion to choose to enter into any price negotiations.

9.4. Single RFP

In case only one bid is found to be eligible on evaluation of the technical bid, SCTE&VT reserves the right to consider the bid.

9.5. Billing

The Bidder shall specify the Branch/ Location from which they will raise the bill, and, in whose favour, payment will be released. The billing shall be done quarterly.

9.6. Language of Bids

The Bids prepared by the Bidder and all correspondence and documents relating to the Bids exchanged by the Bidder and the Purchaser shall be written in the English Language, provided that any printed literature furnished by the Bidder may be written in another language so long as it is accompanied by an English translation in which case, for purposes of interpretation of the Bid, the English translation shall govern. All offers should be made in English and clearly type written. No handwritten proposals shall be accepted.

9.7. Force Majeure Condition

If the execution of the contract is delayed beyond the period stipulated in the consultancy as a result of outbreak of hostilities, declaration of an embargo or blockade of fire, flood, acts of God, then Purchaser may allow such additional time by extending the time frame as considered to be justified by the circumstances of the case and its decision will be final. If additional time is granted by the Purchaser, the supply order shall be read and understood as if it had contained from its inception the execution date as extended.

9.8. Modifications & Withdrawal

The bid submitted may be withdrawn or resubmitted before the expiry of the last date of submission by making a request in writing to the competent authority of the Purchaser to this effect. No Bidder shall be allowed to withdraw the bid after the deadline for submission of bids.

9.9. Right to Reject/Accept the Tender

The purchaser reserves the right either to reject or accept any or all tenders. The purchaser has exclusive right to alter the quantities of materials at the time of placing the final purchase order. The type and quantity of items indicated in the tender are provisional and may change as per the actual requirement. After placing the purchase order, the purchaser may order to defer the delivery of the services. It may be clearly understood by the bidders that the purchaser need not assign any reason for the above action. Depending upon the Govt. of Odisha's final decision whether to conduct the training, the work order shall be issued in favour of the selected agency. Selection of agency through RFP merely does not make any binding on the SCTE&VT, Odisha to place the work order.

9.10. Jurisdiction of High Court of Odisha

Suites, if any arising out of the contract shall be filed by either party in a court of Law to which the jurisdiction of the High Court of Odisha extends.

9.11. Confidentiality

- I. The Bidder shall not, and without the Purchaser prior written consent, disclose the contract or any provision thereof, or any specification, regarding training or training programme or faculties or information furnished by or on behalf of the Purchaser in connection therewith to any person other than a person employed by the Bidder in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- II. The Bidder shall not without the Purchaser prior written consent, make use of any document or information.
- III. Any document other than the contract itself shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Bidder's performance under the contract if so, required by the Purchaser.

9.12. Obligation to Carry out Purchaser's Instructions

The Bidder shall also satisfy the purchaser or this inspector that adequate provision has been made to carry out his instructions fully and with prompt attitude.

9.13. Final Authority

The final authority for payments will be the consignee except otherwise specifically stated and if the vendor/supplier desires to appeal against any matter he shall appeal to Vice Chairman, State Council for Technical Education & Vocational Training, Odisha, Bhubaneswar, Near Raj Bhawan, Unit-8, Bhubaneswar-751012, Odisha.
