Sir/Madam,

The Skill India Digital (SID) platform, launched in September 2023, aims to revolutionize the skills, education, employment, and entrepreneurship landscape in India. The SIDH portal, replacing the NCVTMIS portal, serves as the primary platform for CTS trainees for admissions, examinations, and certifications starting from the 2023 session.

The admission process has already been completed and examination activities are scheduled to start from 30th June 2024.

In this regard, it is informed to all the state directorates to sensitize with all ITIs in your jurisdiction and ensure login of all government and private ITIs in to their creator and approver accounts on or before 28th Jun 2024. If any ITI faces difficulty during login to their creator and approver accounts following method to be followed for resolution of their grievances

Government ITIs: State directorates may compile creator and approver accounts to be changed in attached excel format and forward the signed (not less than Director) copy along with excel sheet to DGT email id ([section-tc2022@dgt.gov.in](mailto:section-tc2022@dgt.gov.in)).

Private ITIs: ITIs have to raise the ticket on NCVTMIS complaint tool (login ID: Creator id, Pwd: if password is not remembered, can send mail to [ncvtmis-msde@gov.in](mailto:ncvtmis-msde@gov.in)) and upload the following documents. (State directorate should not forward recommendations for private ITIs)

1. Affidavit from trust chairperson/secretary on Rs.100 stamp paper for principal name/email/mobile no update.
2. Signed NOC (from trust chairperson/secretary) from Trust/Society/State Directorate (in case of Govt ITI) on letter head of Trust/Directorate.
3. Registered Trust/society deed document.
4. Signed letter from Principal of the ITI on letter head.(optional)
5. Details in below mentioned excel format.

All the state directorates are requested to direct ITIs to login into their accounts from 24th Jun 2024 to 28th Jun 2024. regards
